

Let me down easy

Refrein

Oh, Let me down easy, let me down easy, woah, before you go
Ohh, let me down easy, let me down easy, woah, before you go
Ba ba ba ba-da da ba ba ba [x4]

Couplet 1 (*mannen*)

Night and day I've been doin' the math
To calculate where we wandered off track
But I know that this love was never easy

But something's faded inside of your heart
So you're crusadin' to tear us apart
It's clear now, I know you're gonna leave me
So disappear now, I won't get in your way

Refrein

Couplet 2 (*mannen*)

Well how do I begin to convince you to love me
When you're a star in the sky up above me
And I'm too far down below

Your heavy heart has taken its toll
You've lost all the magic inside of your soul
So sell me a lie before you hit the road

Refrein

Brug

Solo: Woah Yeah! Cause I know you'd rather run than stay and try

Koor: *Ooh, pa pa pa...*

Solo: Cause I know it's not much easier to say good bye

Koor: *Ooh, pa pa pa*

Solo: And I know, so if you've made your mind

Samen: Take what you want and get out of my life.

But can you do this one last thing?

Leave me with my pride

Refrein

Solo over refrein

Night and day I've been doin' the math
To calculate where we wandered off track
But I know, this love was never easy
Something's fading inside of your heart
So you're crusading to tear us apart
It's clear now, I know you're gonna leave me
So disappear now, I won't get in your way
